Case No.: 2:21-cv-00616-APG-NJK

The parties in the above-captioned cases filed a Notice of Related Cases in all eight cases. The presiding District Judges in all actions have individually and collectively determined that these actions are related as they involve allegations relating to Nevada auto insurance policyholders challenging various insurers for failing to charge fair and appropriate insurance premiums and to provide premium reductions during the COVID-19 pandemic. The presiding District Judges further find that there is good cause to transfer these cases to one District Judge and one Magistrate Judge pursuant to Local Rule 42-1(a) and that these transfers will promote judicial efficiency, avoid duplicative filings by the parties, and will not result in prejudice to the parties.
